Pursuant to Section 546, Laws of Montana 1995, effective July 1, 1995, the Department of Family Services (DFS) was disbanded. The functions of DFS were transferred to the new

Department of Public Health and Human Services (DPHHS) and the existing Department of Corrections (DOC).

ADMINISTRATIVE RULES OF MONTANA

11-1

DEPARTMENT OF
FAMILY SERVICES

Subsequent to this legislative action, the rules in DFS's Title 11 were transferred or repealed by either DPHHS or DOC to their respective Titles, 37 and 20. All rules from Title 11 have now been addressed by the appropriate receiving department and no longer exist as Title 11 rules.

In order to maintain a historical record of repealed rules from Title 11, a list of those repealed rules, by chapter, will be maintained in Title 37. This list will include the rule number, catchphrase, and history note of each repealed rule.

Following this page are lists of former Title 11 rules, by chapter, indicating whether they were repealed or transferred and to which rule number they were transferred. Because there were reserved rules or subchapters, there are some gaps in the rule numbers in these lists.

The Administrative Rules Bureau is providing these pages as a research tool. These remaining pages of Title 11, as well as the Cross Reference Table, should be kept together for your future reference. Should you have questions regarding Title 11, the ARM Bureau will be able to assist you.
